DENIAL OF STATE ENGINEER deny

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:  
on the grounds that the granting of these applications would adversely effect prior existing water rights within this area of concentration.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before  
Proof of commencement of work shall be filed before  
Work must be prosecuted with reasonable diligence and be completed on or before  
Proof of completion of work shall be filed before  
Application of water to beneficial use shall be made on or before  
Proof of the application of water to beneficial use shall be filed on or before  
Map in support of proof of beneficial use shall be filed on or before
